

Flush mount VOL Patch Panel 1U, 19" Black

CORNING

Part Number:
UU001622883

The VOL patch panel is universally applicable for all 19" racks. This allows the free user-specific configuration of building and floor distributors. This patch panel is delivered unloaded. But it's compatible with all VOL modules from Cat 5e to Cat 6A UTP or STP. A full protection against conducted and radiated interference is provided by the individual shield of STP 360° braid on the STP module version. This feature additionally prevents interference between modules on the same panel. The panel has a ground points lashes at the rear of the panel. Modules automatically provides earth connection upon insertion into patch panel.

Features and Benefits

Universally applicable for all 19" rack

Integrated cable strain relief

Port numbering above and below ports

Space above ports can be used for customised labelling
